

1st **BIPA** INTERSCHOOL BASKETBALL LEAGUE

Conceived & Organized by
HTC Sports

Kind Attn. : The Principal -----

In India Sports is slowly gaining traction as a career for youth, according to recent studies India is going to be largest market by 2020 in the field of Sport. The growth of every career starts at School level and it helps to grow a child in a organic way into to profession. The biggest opportunity coming on way in Sports is “Leagues” which allows players to have multiple careers. **Basketball** is a game which is amongst the most popular games played at School & College level, the game has been waiting for an event of a large magnitude for a long time. **HTC Sports** in association with Basketball Indian Players Association (**BIPA**) formed by former **Olympians, Arjuna Awardees, Dhyanchand Awardees, & Former Captains** of Indian Team, has conceived a Inter-School Basketball League to be organised in 16 Cities with 1024 Teams participating.

HTC Sports was set up in 1984 and since then it has been in the constant process of promoting sports at grass root level, the quality work done by HTC has been recognized and today is probably the only company in India which has been certified as

ISO 9001 : 2015
Quality Management System

Basketball India Players Association (**BIPA**) is a not-for-profit Company incorporated to support, develop, enhance, protect and promote the interest of the players in the sport of basketball. BIPA largest players association having Olympians, Arjuna Awardees, Dhyanchand Awardees , & former Captains of Indian Team.

The league is unique in nature and is truly a “League” and not “Championship” every team will have enough chances to showcase their talent and win laurels. **1st BIPA Interschool League is the first of its kind league in India which gives the upcoming talent a unique platform.**

The details of the league along with features has been attach with this invite. **No Registration fee** is to be paid at this point of time.

Since the entries are limited to the event, an early response will help us organize the schedule in time.
